- corner reinforcements patches are self adhesive

colour of reinforcement choose from the list	blue dark blue black grey silver white pink dayglo red orange dayglo yellow dayglo cream
--	--

options	price
slides for GROOVY mast (for Lightweight mainsail)	no charge
eyelets for rings for round mast	no charge
non-standard cloth	see note A
non standard shaping	see note A & B
seams not sewn (standard for 35 micron cloth)	see note A
'finger' patches	£8.25
small pocket at luff for jackstay	£7.75
luff hooks for jackstay	£10.75
insignia and numbers added to each side of mainsail and headsail	£14.50
national letters applied to each side of one mainsail	£7.20

*note A*

for one or more of the 'non standard' options please add per suit of sails £5.75

*note B*

the shaping built into our sails has evolved over a long time and many generations of design

F2 sails have our standard shaping

F3 sails have 17% more camber

F1 sails have 17% less camber

sails with non-standard shaping are marked in the tack to show the difference so you will always know if the sails you see are of standard or non-standard shaping

## delivery

sails are laid on thick paper then rolled and placed in a 90 or 100 mm diameter cardboard tube  
 tube has end caps taped in place  
 delivery by first class post in the UK  
 delivery by letter post outside the United Kingdom  
 delivery by other means on application

## Section 1 – Shroudless Rig Kits

<b>RIG KITS for Shroudless Rigs</b>	<b>2150 luff</b>	<b>£299</b>
	<b>1850</b>	<b>£286</b>
	<b>1600</b>	<b>£283</b>
	<b>1400</b>	<b>£272</b>
	<b>1200</b>	<b>£260</b>

we no longer stock rig box material, sorry	-
rig box completed	£POA
<i>delivery</i>	
packed in a sturdy box for delivery by carrier	£POA
alternatively collect the completed rigs	-

### **use**

The recommended wind speed range for each rig is as follows:

Rig	km/hour measured at 1 metre	knots measured at 10 metres
2150	0-19	0-16
1850	8-22	7-19
1600	13-25	11-21
1400	20-30	17-25
1200	25-35	21-30
1000	30-40	25-35

These figures will vary depending on the stability of the boat and wave conditions.

## Section 2 – Swing Rig Kits – 2010 version

<b>RIG KITS for Swing Rigs</b>	<b>2150 luff</b>	<b>£307.00</b>
	<b>1930</b>	<b>£296.50</b>
