RIG PACKS	swing rig No 1	£57.00
	conventional No 1	£116.00
	No 2	£115.00
	No 3	£110.00

sails are NOT included

a pack contains spars, rigging and fittings sufficient to make one rig with the following features

general features

- comprehensive plan and step by step instructions
- No 1 rig may be a swing rig or a conventional rig
- No 2 & No 3 rigs are shroudless rigs with ball raced headsail boom swivels
- carbon mast and boom material
- tapered round section mast for No 1 rig
- pultruded 2 section mast for No 2 & No 3 rigs
- ball raced gooseneck/compression strut unit is simple to fit to mast (conventional rigs)
- ball raced head fittings for mainsails on conventional rigs
- flexible 7 strand rigging wire for headsail luff
- Dyneema rigging cord for running rigging
- adjustments and terminations

you will need the following materials to supplement the pack

cyano glue, tape for limit marks (measurement bands)

options	price
completion	£112.75

use

The recommended wind speed range for each rig on ARGON is as follows:

Rig	km/hour measured at 1 metre	knots measured at 10 metres
1	0-17	0-14
2	11-21	9-18
3	16-31	13-27

delivery

masts over 1.5 metres long have to go by carrier
alternatively they can be cut and supplied with joint pieces for economy
masts & booms will be packed in plastic tube
fittings and rigging will be packed in another pack

rig packs for three rigs bought at same time

there is a 5% discount on the total rig pack price

COMPLETED RIGS	swing rig No 1	£259.50
	conventional No 1	£318.50
	No 2	£325.25
	No 3	£320.00

sails are added to a completed rig pack

- sails as specified
- rig pack as specified
- mast tube is left over length at the lower end for you to cut off correctly
- mast tube is cut to length if we are completing a boat with rigs

options are as for sails and rig packs and also as below

options	price
any of the options for sails and rig packs	see above
